Request for Extension of Time to File Reply Comments

CompTel/ALTS respectfully requests a seventeen day extension of the deadline for filing reply comments in the above-captioned proceeding. A Commission grant of this request would move the filing date for reply comments from July 12, 2005 to July 29, 2005. CompTel/ALTS believes that a grant of this request is in the public interest, because it will allow all parties the opportunity to better evaluate, and respond to, the complex economic analyses offered by many commenters in this proceeding. In order to best address the comments already in the record, parties must evaluate and consider the merits of the analyses proffered, and then, if necessary, retain, educate, and obtain statements from their own expert affiants. CompTel/ALTS asserts that this modest extension will result in a more

complete public record, on which the Commission can evaluate the issues raised in this NPRM. Therefore, CompTel/ALTS urges the Commission to grant this request.

Respectfully submitted,

Jonathan D. Lee
